## WEALTHY GLOBAL CITIZENS

- Minimum property investment of at least USD 500,000 (or THB 18.0 million equivalent).
- Proof of global assets totaling at least USD 1.0 million, such as: investment portfolio, deposit accounts, overseas property, share capital
- If the property value is below USD 500,000, the applicant may make additional investments in Thai government bonds and/or a Thai company to meet the required threshold.

## WEALTHY PENSIONERS

- Only unearned or passive income, such as interest, dividends, royalties, rental income, or other forms of passive income.
- Proof of passive income, such as: individual income tax return, pension certificate, dividend payment.
- If passive income is between USD 40,000 and USD 80,000 per year, a minimum property investment of USD 250,000 (or THB 10.0 million equivalent) is required.
- If passive income exceeds USD 80,000 per year, no investment is required; however, the applicant may choose to purchase property for personal use or lifestyle purposes.
