MODERN ITALIAN CATERING, WITH THE
CONVIVIAL SPIRIT OF ROBERTO'S

Established in 2020 under Executive Chef Leonardo Maltese, Roberto's Catering carries the culinary character and hospitality of Roberto's into the occasions its clients choose to host. Modern Italian cooking sits at the heart of the experience, with menus and service adapted to the brief and the people around the table.

The team can support the event beyond the menu, coordinating suppliers, equipment, entertainment and on-site execution where required. Yacht charter arrangements can also be managed for events on the water.

We Cater For

BRAND EVENTS

For high-profile launches and brand events, menus and service are developed around the brief, with close attention to presentation, guest profile and the standards of the brand.

Discretion, precision and flexibility are central to the way each event is handled.

WEDDINGS & CELEBRATIONS

Weddings and private celebrations are approached around the hosts, their guests and the character of the event.

Modern Italian menus and attentive service are planned to support the day as it unfolds, with the Roberto's spirit of convivialità at its heart.

CORPORATE EVENTS

Roberto's Catering provides contemporary Italian menus and professional service for boardroom lunches, conferences, networking events and company receptions.

Clear planning and experienced on-site execution keep the catering straightforward for the host and appropriate to the occasion.

PRIVATE EVENTS

Private events can take place at home, on the water or in a venue chosen by the host.

Roberto's Catering adapts the menu and service to the gathering, with the practical details managed by the team so guests can spend their time around the table.

We Cater At

SEA

Menus and service are adapted to the pace and practical requirements of events on board, whether the occasion is relaxed or more formal.

Yacht charter arrangements can also be coordinated where required.

HOME

Hosting at home keeps the occasion personal.

Modern Italian cooking and attentive service are brought into the host's own space, with the menu planned around the gathering and the way they want to entertain.

VENUES

The catering is adapted to the requirements of the chosen venue, with the culinary team working around the event format, guest needs and service plan.

Supplier coordination and on-site execution can be managed as part of the wider event.

OFFICE

Corporate catering is planned around the working day, with contemporary Italian menus suited to meetings, boardroom lunches and company gatherings.

Clear planning and professional service keep the experience appropriate to the business setting.

Testimonials

DIOR

It was a pleasure collaborating on this special event. You and your team at Roberto's were professional and simply amazing.

Thank you for sharing this night with us and for the delicious cocktails and canapes. I look forward to another event with you soon!

Project Leader, Christian
Dior Couture, 2022

On behalf of Louis Vuitton and also personally, I want to really thank you for the amazing job that was accomplished! In all aspects, reactivity, menu, creativity, flexibility, excellence, service, mindset, professionalism, everything was truly appreciated on our side and also from a client experience perspective. It was not easy to organize 2 dinners in half a day and we made it!

To many more events and tailored collaboration together!

Events Manager,
Louis Vuitton, 2022

Thank you so much to the Roberto's Catering team for everything you've done for our event—it was absolutely fantastic!

We received numerous compliments about the catering, and our executives were thoroughly impressed and pleased with the experience.
