

Product Details

Sahajana Chaal

Sahajana, scientifically known as *Moringa oleifera*, is a fast-growing, drought-resistant tree widely cultivated across tropical and subtropical regions. Commonly referred to as the drumstick tree, it is recognized for its slender, green seed pods, delicate leaves, and greyish bark. Almost every part of the tree, including its bark, leaves, flowers, and pods, carries nutritional and medicinal value. Sahajana thrives in well-drained soils and warm climates, making it an important plant both for food and traditional medicine.

Moringa oleifera

Drumstick Bark

Active Ingredients

0.02% Alkaloids

Part Used: Bark

Ratio: 12:1 (Dry Extract)

Purity: 100%

Shelf Life: 36 Months

Medicinal Uses

The bark of *Moringa oleifera*, or Sahajana Chhal, is valued in Ayurveda for its therapeutic properties. It is used to support digestive health, improve appetite, and aid in managing disorders related to the liver and spleen. The bark is known for its anti-inflammatory, antimicrobial, and antioxidant effects, which help in relieving pain, reducing swelling, and promoting natural detoxification. Additionally, it is used in traditional remedies for circulatory problems and as a general health tonic, contributing to overall vitality and well-being.

Form: Powder*

* Soft/Paste form also available

Size: 1kg, 5kg, 25kg

Packaging Type: HDPE Drum

Country of Origin: India
