Dry Powder Extract

Active: 20% Glycyrrhizin
Ratio: 5:1

Soft Paste Extract

Active: 12% Glycyrrhizin
Ratio: 3:1

Part Used: Root

Medicinal Uses

Glycyrrhiza glabra is a versatile herb with a number of therapeutic properties. It has a number of benefits: it soothes respiratory ailments like cough, cold, and congestion by reducing mucus and soothing the throat. Anti-inflammatory properties help in the management of digestive problems like acidity and ulcers. Moreover, Mulethi strengthens the immune system to fight against infections. Topically, it can promote skin health by reducing pigmentation and hydrating the skin. Being an adaptogen, Mulethi helps manage stress and amplifies energy levels for overall wellness.
