Nut Grass

Active Ingredients

Dry Powder Extract

Active: 1% Alkaloids
Ratio: 8:1

Soft Paste Extract

Active: 0.5% Alkaloids
Ratio: 5:1

Part Used: Rhizome

Medicinal Uses

Cyperus rotundus is a versatile herb originating from medicinal history. It has been considered a great digestive aid, especially in cases of bloating, gas, and acidity for healthy digestion. Besides the benefits of the digestive system, the plant is useful for the health of the liver by promoting detoxification and other disorders like jaundice. It can be considered advantageous in the enhancement of metabolism for the management of weight. The anti-inflammatory action of Nagarmotha is useful in the management of arthritis and other such inflammatory conditions. It proves its efficiency on the skin, too, by reducing acne and giving a clear skin.
