

Product Information

Pipal Chaal

Pipal Chaal is a large, long-lived deciduous tree revered for its spiritual and medicinal significance. Commonly known as the Peepal tree, it is recognized by its broad, heart-shaped leaves with tapering tips and a wide, spreading canopy. The bark is greyish-brown and smooth in texture. The tree thrives across the Indian subcontinent and is widely planted near temples as a symbol of life, wisdom, and longevity.

Ficus religiosa

Peepal Bark

Active Ingredients

Dry Powder Extract

Active: -
Ratio: 8:1

Soft Paste Extract

Active: -
Ratio: 5:1

Part Used: Bark

Medicinal Uses

Ficus religiosa is valued in Ayurveda for its healing and restorative properties. It is used to manage various health conditions such as bleeding disorders, inflammation, respiratory ailments, and digestive disturbances. The bark possesses cooling, astringent, and antioxidant properties, making it beneficial in treating ulcers, skin diseases, and excessive thirst. Additionally, it supports wound healing, strengthens immunity, and promotes overall balance of the body, establishing its role as a versatile and therapeutic herbal remedy.
