

Product Information

Triphala

Triphala is a traditional Ayurvedic formulation made from the dried fruits of three plants: Amla (Phyllanthus emblica), Baheda (Terminalia bellirica), and Harad (Terminalia chebula). These fruits are generally combined in equal proportions and are widely used in Ayurvedic herbal preparations.

Amla + Baheda + Harad

Active Ingredients

Dry Powder Extract

Active: 40% Tannins
Ratio: 4:1

Soft Paste Extract

Active: 25% Tannins
Ratio: 3:1

Part Used: Fruit Pericarp

Medicinal Uses

Triphala is traditionally used to support digestion, bowel regularity, and overall wellness. It is valued for its antioxidant and rejuvenating properties and is commonly included in traditional preparations for maintaining digestive health and supporting the body's natural cleansing processes. It is also traditionally appreciated for its gentle balancing and restorative qualities. Triphala is commonly used in herbal wellness formulations aimed at supporting regular digestion and maintaining overall vitality.
