

HRV-601A

HEAVY DUTY – LOW VIBRATIONS

HRV-601A Scaler/Chipper is superior to any heavy-duty hammer ever made!
It is very powerful, but our effective anti-vibration system has reduced vibrations to a quite low level. The lower vibration level makes it possible to work with higher precision than with other tools and the noise level is remarkably low. Try it and you'll be convinced that it is the most efficient chipper of its size!
