

August 2026

Welcome! It is our absolute privilege to welcome you to the 2026–2027 school year! The Holmes Parent Teacher Association (PTA) is geared up and ready to partner with you to build an incredible, supportive environment for our outstanding students, dedicated teachers, and hardworking staff.

As we look ahead, we want to share a few highlights of what the wonderful generosity and active engagement of our members brought to life at Holmes last school year:

School & Teacher Grants: We successfully expanded our teacher grant program to two comprehensive rounds of funding, equipping our educators with crucial supplies—such as painting and ceramics materials, physical education supplies, books, and specialized audio equipment for the Music and Choir departments.

Community Engagement: We brought families together through our new monthly restaurant fundraiser series, celebrated our incredible teachers and school staff, and provided meaningful incentives for the school's Positive Behavioral Interventions and Supports (PBIS) program.

Vital Student Experiences: PTA funding ensured priority school activities remained vibrant, including unforgettable experiences like the 9th-grade Marin Headlands hike & the 7th & 8th-grade *Day on the Green*.

A thriving PTA relies on many hands to share the workload. Please join today or at Schedule Pickup Day. We are also actively seeking to fill crucial leadership and support roles. Thank you for your support.

Luke W. Reynolds

PTA President, 2026–2027
