

The Unfundraiser is the easiest way to support our students' year-end traditions. Instead of organizing a large event, we ask for direct donations that go straight toward funding memorable student experiences.

Because the PTA covers 100% of the expenses for these events, every dollar ensures that **all** students can participate in these beloved activities:

- **7th & 8th Grade, Day on the Green:** A fun-filled, end-of-year celebration on campus featuring inflatable obstacle courses, slides, and the popular Kona Ice truck.
- **9th Grade, Marin County Day Hike:** A treasured Holmes tradition where 9th graders commemorate their junior high journey with a day-long hike. Students consistently call this "the most memorable day of the year," and donations directly cover our largest expense: bus transportation.

Our Goal: $11,000

Last year, these essential student activities cost **$14,645**. Every donation helps us bridge the gap and keep these traditions alive. *(Tip: Check if your employer offers a matching gift program to double your impact!)*
