

Texas Department of Information Resources (DIR)

Discounts for Public Sector Cybersecurity

Texas Department of Information Resources (DIR) Cooperative Contracts delivers significant discounts for eligible public entities through the organized buying power of the State of Texas.

Apollo offers a full catalog of cybersecurity goods and services to address all current and future needs at discounted rates without requiring a lengthy procurement process.

Customers can purchase directly through any of the Apollo DIR Contracts. Contracts may be used by state and local government, public education, other public entities in Texas, as well as public entities outside the state. Resellers are not available for any contract.
