

GENERAL INFORMATION

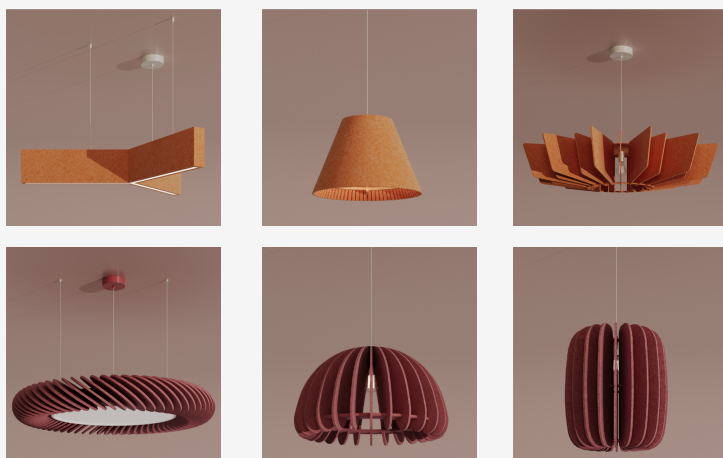

The FELMO acoustic pendant merges modern lighting with architectural sound control, creating a sculptural statement piece with exceptional performance. Crafted from 100% P.E.T. felt and aluminum, it delivers soft, omnidirectional 360° illumination ideal for ambient environments. With a bold yet refined silhouette and a range of sizes and wattages, FELMO is a versatile solution for hospitality, workspace, and commercial interiors prioritizing both acoustic comfort and visual impact.
