GENERAL INFORMATION

The LUMO ceiling fixture combines timeless geometry with a soft, diffused glow, making it a versatile choice for both residential and commercial interiors. Featuring a hand-blown glass globe and precision-crafted aluminum body, LUMO delivers even 360° omnidirectional illumination that enhances ambient lighting. Available with integrated LED or E26 lamp options, it supports multiple CCT configurations and dimming for design flexibility. With a wide selection of RAL, wood-effect, and metallic finishes, LUMO adapts seamlessly to any design concept while maintaining durability and visual comfort.
