### GENERAL INFORMATION

The SERO ceiling fixture combines a sleek, contemporary design with functional performance, making it an ideal choice for both residential and commercial interiors. Crafted from durable aluminum with a glass diffuser, it provides uniform, glare-free illumination with a balanced Beam Down / Symmetrical light distribution. Available in a variety of finishes—including RAL colors, wood-effect, and metallic options—the SERO integrates seamlessly into diverse architectural styles. Its energy-efficient LED system, high CRI, and dimming compatibility ensure both visual comfort and design flexibility.
