

GENERAL INFORMATION

The SYLVA FROSTED W is a refined outdoor wall luminaire characterized by its vertical frosted acrylic panels, delivering soft and uniform 360° Type V symmetrical illumination. Designed for architectural façades and landscape accents, it combines the durability of extruded aluminum with IP65 protection and integral 0–10 V dimming. Available in multiple finishes and color temperatures, SYLVA FROSTED W enhances outdoor environments with balanced light and contemporary form.

SPECIFICATIONS
