

GENERAL INFORMATION

The VIVO Pendant brings sculptural elegance to contemporary interiors, combining soft, diffused illumination with refined decorative accents. Suspended from a broad canopy, its clustered glass spheres deliver a warm, 360° ambient glow, while the elongated, non-illuminated cone elements introduce a striking architectural rhythm. Crafted from stainless steel and glass, VIVO balances artistic expression with durable performance, making it an ideal centerpiece for hospitality, residential, and commercial spaces seeking a distinctive modern statement.

SPECIFICATIONS

Material	Glass + Stainless steel
Sphere diameter	6"
Diameter	30"
Height	43"
