

## GENERAL INFORMATION

PHAROS G is a compact outdoor bollard luminaire defined by its cylindrical form and layered head detail, creating a refined balance between classic proportion and contemporary design. The solid die-cast aluminum body and controlled light aperture emphasize durability while maintaining a calm, architectural presence. Designed to provide uniform ambient illumination with a symmetrical Type V, 360° light distribution, PHAROS G is well suited for pathways, entrances, and landscape applications where visual comfort, glare control, and consistent light coverage are essential.
