

## SPECIFICATIONS

Material	Aluminium
Lens	Acrylic
Height	23.6"
Length	2.36"
Width	3.94"
Light Source Type	LED
Power	12W
Input Voltage	110-277V, 50-60 Hz
LED Output	120 lm/W
CCT	3000K / 4000K / 6000K
CRI	80
Dimming & Driver	Integral, 0-10V
Light Distribution	Type II – asymmetric, downward
IP Rating	IP 65
Warranty	5 years
Finishing	34 RAL finishes

## GENERAL INFORMATION

VECTA B is a compact outdoor bollard luminaire distinguished by its slim rectangular profile and linear light aperture, creating a precise and restrained architectural expression. The clean aluminum body emphasizes sharp edges and minimal surface detail, allowing the form to integrate seamlessly into contemporary exterior environments. Designed to deliver controlled, asymmetric downward illumination with a Type II distribution, VECTA B is ideal for pathways, perimeter lighting, and wall-adjacent applications where directional guidance, glare control, and visual clarity are required.
