# ZENOA
Acoustic / Pendant / ZNA

GENERAL INFORMATION

ZENOA is a sculptural acoustic pendant luminaire defined by its folded, radial geometry and soft material expression. Crafted from high-performance P.E.T. felt with aluminum structural elements, the layered form enhances sound absorption while creating a visually striking centerpiece. Designed to balance ambient illumination with acoustic comfort, ZENOA is well suited for hospitality interiors, dining areas, and collaborative spaces where atmosphere, visual identity, and noise control are equally important. Its generous scale and wide range of acoustic finishes allow seamless integration into contemporary residential and commercial environments.

SPECIFICATIONS

Material	Aluminum, 100% P.E.T. Felt
Lens	N/A
Diameter	35.3"
Height	19.5"
Input Voltage	110-277V, 50-60 Hz
Light Source Type	E26 / LED
Power	max. 20W / 10W
LED Output	80 lm/W (available only for LED model)
CCT	2700K / 3000K / 3500K / 4000K (available only for LED model)
CRI	90 (available only for LED model)
Dimming & Driver	Integral, 0-10V (available only for LED model)
Appliance Class	I
IP Rating	IP 20
Finishes	38 acoustic fiber finishes
Warranty	5 years
