Designed by we, Customized for you

GENERAL INFORMATION

The NOVA is a contemporary wall-mounted sconce that combines a sculptural vertical form with a warm, focused glow, using its elongated aluminum body and alabaster sphere to create both ambient character and refined visual softness. Designed for hospitality, residential, and commercial spaces, NOVA offers a compact profile, versatile finish options, and modern LED performance—making it an elegant accent for corridors, living areas, workspaces, and feature walls where subtle illumination and elevated design are essential.
