

## GENERAL INFORMATION

FABRÉ is a large-scale ceiling luminaire defined by its soft textile surface and refined circular geometry. The fabric shade introduces a warm, tactile quality while subtly shaping the light, creating an inviting atmosphere without visual heaviness. Designed for ambient illumination, FABRÉ distributes light evenly across the space, making it well suited for living rooms, lounges, hospitality areas, and open-plan interiors. Its generous diameter and low-profile form allow it to function as a central lighting element, while a curated selection of fabric finishes enables seamless integration into both contemporary and timeless interior concepts.

## SPECIFICATIONS
