

GENERAL INFORMATION

The BRONE wall fixture is a sculptural lighting piece that blends artisanal glasswork with refined brass detailing. Its softly contoured form creates a luminous focal point, emitting a warm, ambient glow that enhances surrounding surfaces with depth and texture. Designed to function both as a decorative object and a source of atmospheric illumination, BRONE delivers a balanced 360° light distribution ideal for accent walls, corridors, and intimate residential or hospitality interiors. The harmonious combination of materials and subtle craftsmanship allows BRONE to integrate seamlessly into modern, eclectic, and classic design environments while maintaining a distinct visual presence.
