

GENERAL INFORMATION

The CALDERA pendant blends sculptural balance with modern geometric expression, creating a statement fixture that elevates both residential and hospitality interiors. Its multi-sphere composition is arranged along fluid, intersecting lines, delivering soft 360° diffused illumination from every angle. Designed with a focus on visual harmony and functional performance, CALDERA offers multiple sphere sizes and configurations, allowing designers to scale the piece to the room's proportions. Crafted from durable stainless steel and hand-finished glass, the fixture is available in an extensive palette of RAL, metallic, and custom finishes, including the exclusive A We Lighting Design Palette.
