

SPECIFICATIONS

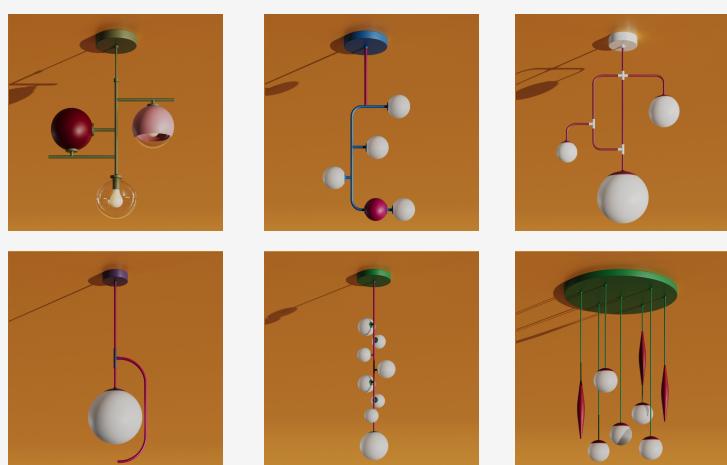

Material	Brass, Glass
Sphere Diameter	5.12"
Length	93.4"
Height	57.1"
Width	12.1"
Input Voltage	110-277V, 50-60 Hz
Light Source Type	E26 (Bulbs not included)
Power	18 x max. 60W
Light Distribution	360° Beam
IP Rating	IP 20
Warranty	1 year
Finishes	Light Brass, Black RAL finishes on request

GENERAL INFORMATION

The BUBBLES is a linear pendant fixture that brings a sense of lightness and rhythm to contemporary interiors. Composed of a refined brass structure and evenly spaced glass spheres, it creates a balanced composition that feels both playful and sophisticated. Designed to provide uniform 360° illumination, BUBBLES delivers soft ambient light ideal for dining areas, hospitality spaces, and collaborative environments. Its elongated form emphasizes horizontal lines within the space, while the contrast of solid metal and translucent glass adds visual depth. Multiple finish options allow the fixture to integrate seamlessly into a wide range of modern and transitional interiors.
