

GENERAL INFORMATION

The CLEMENTINE is a sculptural pendant fixture that blends soft geometry with refined material contrast. Its circular composition, combining brass structure, glass elements, and subtle fiber detailing, creates a layered visual depth while maintaining a light, balanced presence. Designed to emit warm, omnidirectional illumination, CLEMENTINE provides an inviting ambient glow ideal for dining spaces, hospitality interiors, and statement residential applications. Thoughtfully proportioned and offered in a curated range of finishes, it integrates effortlessly into both contemporary and transitional environments, serving as a distinctive focal point without overwhelming the space.
