

GENERAL INFORMATION

FLORIS is a contemporary pendant luminaire that integrates decorative greenery into a structured lighting system. The linear composition combines spherical glass diffusers with modular planters, creating a balanced interaction between light, form, and nature. Designed as a functional lighting element and a visual accent, FLORIS brings a sense of vitality and warmth into interior spaces. The fixture provides soft, evenly diffused illumination while allowing plants to become an integral part of the design. Ideal for cafés, restaurants, hospitality spaces, and modern residential interiors, FLORIS transforms lighting into a living architectural feature.
