

GENERAL INFORMATION

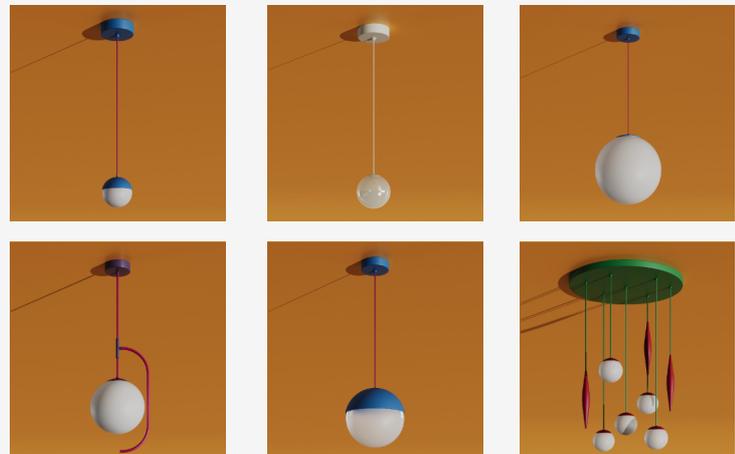

WE MINI NEST is a compact pendant luminaire defined by its spherical glass diffuser and clean, minimal suspension. The simple form and balanced proportions create a soft visual presence, making the fixture suitable for both subtle accent lighting and decorative compositions. Designed to provide gentle 360° diffused illumination, WE MINI NEST is ideal for use as a single point of light or in linear and clustered arrangements over tables, counters, and circulation areas. Its small scale, combined with multiple power options and a wide range of finishes, allows seamless integration into residential, hospitality, and contemporary commercial interiors.
