

## GENERAL INFORMATION

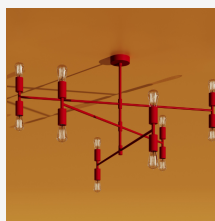

The STRIX is a sculptural pendant that interprets classic chandelier geometry through a contemporary, linear framework. Slender brass arms extend in a dynamic, asymmetrical composition, each terminating in a softly glowing glass sphere that provides warm, 360° ambient illumination. Designed to act as both a lighting solution and a visual centerpiece, STRIX brings structure, rhythm, and modern elegance to dining spaces, living areas, and hospitality interiors, with refined proportions and customizable finish options.
