

GENERAL INFORMATION

The VANE is a contemporary pendant that explores balance and movement through a refined, radial composition of linear metal arms and softly diffused glass elements. Designed to deliver both upward and downward illumination, it creates a layered lighting effect that enhances spatial depth and atmosphere. With its bold geometry, adjustable finish options, and sculptural presence, VANE serves as a striking focal point for dining areas, living spaces, and hospitality interiors where modern form and functional lighting converge.

SPECIFICATIONS

Material	Metal, Glass
Diameter	57.2"
Height	31.1"
