

GENERAL INFORMATION

NODO BIRDY is a decorative pendant luminaire inspired by organic forms and traditional weaving techniques. Crafted from cotton yarn, the shade features a lighter, more open structure that enhances the play of light and shadow while giving the fixture a soft, airy character. Its rounded silhouette adds a sense of warmth and visual comfort to interior spaces. Designed to provide direct illumination, NODO BIRDY is ideal for dining areas, intimate seating zones, and hospitality interiors where a relaxed, natural atmosphere is desired.
