## GENERAL INFORMATION

NODO BIRDY TALL is a vertically elongated pendant luminaire that combines the light, open character of the Birdy design with a refined tall proportion. Handwoven from cotton yarn, the shade creates a delicate balance between transparency and structure, allowing light to softly filter through while producing subtle patterns of light and shadow. Designed for direct illumination, NODO BIRDY TALL is well suited for dining areas, stairwells, and hospitality interiors where vertical emphasis and visual lightness are desired.
