## GENERAL INFORMATION

NODO MAXI is a larger-scale pendant luminaire that highlights the expressive geometry and artisanal character of the NODO collection. Handwoven from cotton yarn, the shade features a faceted silhouette that creates a rich interplay of light and shadow while adding depth and texture to the space. Its increased volume enhances the sculptural presence of the fixture, making it a focal point within the interior. Designed for direct illumination, NODO MAXI is well suited for dining areas, living spaces, and hospitality environments where a bold yet warm lighting element is desired.
