

GENERAL INFORMATION

NODO TALL is a vertically proportioned pendant luminaire that emphasizes height, lightness, and refined geometry. Handwoven from cotton yarn, the elongated shade enhances the play of light and shadow while creating a more slender and elegant visual profile. The faceted form adds sculptural depth while maintaining a soft, natural presence in the interior. Designed to provide direct illumination, NODO TALL is ideal for spaces with higher ceilings, including dining areas, stairwells, and hospitality interiors.
