

## GENERAL INFORMATION

NODO ROLLER is a pendant luminaire characterized by its clean cylindrical form and handcrafted textile texture. Woven from cotton yarn, the shade creates a subtle play of light and shadow while maintaining a calm, architectural presence. The simplified geometry offers a more restrained interpretation of the NODO design language, making it versatile and timeless. Designed to provide direct illumination, NODO ROLLER is ideal for dining areas, kitchen islands, and hospitality interiors where clarity of form and warm materiality are essential.
