

## GENERAL INFORMATION

The NUELA pendant is a refined lighting fixture that combines soft textile texture with a clean, architectural silhouette. Featuring a fabric shade paired with an aluminum structure, it delivers warm, focused downward illumination while maintaining a visually light and elegant presence. Designed for versatility, NUELA is available in multiple sizes, allowing it to function equally well as a single accent or as part of a larger composition. Its understated form and broad finish options make it a natural fit for residential, hospitality, and contemporary commercial interiors where comfort and simplicity are essential.
