

GENERAL INFORMATION

MILK is a refined linear pendant that balances minimalist form with expressive detailing. Constructed from layered acrylic sheets, the fixture subtly frames its internal LED element, turning the light source into a visual accent while maintaining a clean architectural presence. Engineered for consistent and comfortable illumination, MILK delivers high-efficiency output with excellent color rendering, making it ideal for residential, hospitality, and workspace applications. Available in multiple wattages and color temperature options, it supports integral 1-10V or DALI dimming for adaptable lighting control.
