

GENERAL INFORMATION

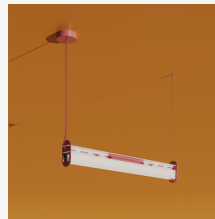

ULTRA MARINER B is a linear pendant inspired by industrial marine lighting, reimagined for contemporary architectural interiors. Its structured metal body and protective detailing create a strong yet refined visual presence. Engineered for efficient, uniform illumination, it is well suited for offices, studios, hospitality spaces, and modern work environments. The elongated form enhances spatial rhythm and works equally well as a single fixture or in continuous linear compositions. Featuring integrated LED technology, multiple length and wattage options, and 0-10V or DALI dimming, ULTRA MARINER B delivers durability, flexibility, and high-performance lighting for demanding interior applications.
