

GENERAL INFORMATION

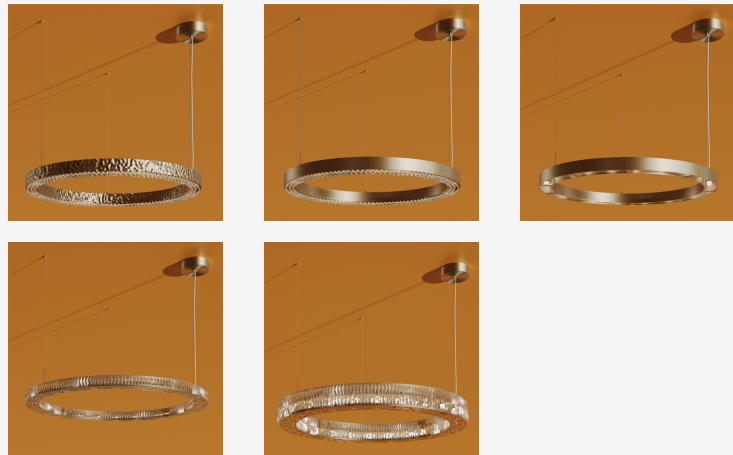

VELORIA CIRCLE is a bold circular pendant that combines refined brass construction with layered crystal detailing to create a striking architectural presence. The substantial ring profile enhances the perception of scale while producing a rich interplay of light and reflection. Its balanced geometry delivers both visual impact and soft ambient illumination, making it ideal for large-scale residential, hospitality, and commercial interiors. The continuous crystal elements introduce depth and brilliance, transforming the fixture into a luminous focal point within the space. Available in multiple diameters and premium plated finishes, VELORIA CIRCLE offers a sophisticated lighting solution defined by scale, clarity, and refined material expression.
