

GENERAL INFORMATION

The PRISMA pendant brings playful geometry into refined architectural form, balancing multiple spherical elements with clean structural lines. Designed to function as both a sculptural centerpiece and a versatile ambient light source, PRISMA combines diffused illumination with directional accents for dynamic visual impact. Its adjustable, multi-arm composition offers a modern, artful presence suited for residential, hospitality, and creative commercial environments. Crafted from durable stainless steel and glass, the fixture is available in a wide range of finishes—including the exclusive A We Lighting Design Palette—for complete customization.
