

GENERAL INFORMATION

The MULTI ceiling fixture combines modular design with modern functionality, offering a bold statement piece for contemporary interiors. Featuring multiple symmetrical light modules arranged on a streamlined aluminum frame, this luminaire provides uniform downlight distribution ideal for general illumination. Its low-profile design ensures versatility across a range of applications, from residential living areas to hospitality and commercial environments. Available in a wide variety of RAL, metallic, and wood-effect finishes, the MULTI allows for customized design flexibility while maintaining high performance and energy efficiency.
