

## GENERAL INFORMATION

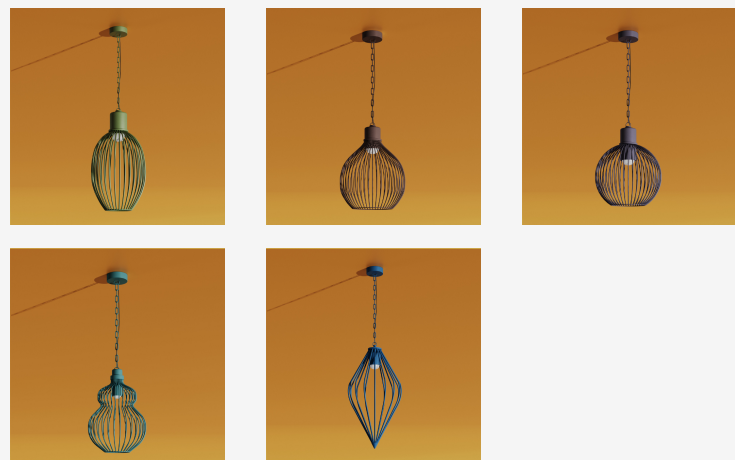

VALTOR is a bold outdoor pendant distinguished by its sculptural curved frame and strong architectural presence. Crafted from stainless steel and paired with a frosted acrylic diffuser, it delivers controlled direct illumination while creating dramatic visual impact. Designed for exterior applications, VALTOR features IP65 protection, ensuring durability in demanding environments such as covered patios, terraces, and hospitality settings. Available in multiple sizes and finishes, it offers a balance of strength, performance, and refined outdoor elegance.
