

## GENERAL INFORMATION

The MODA is a graphic wall-mounted sconce that turns simple geometric forms into a playful focal point, combining its vertical stem and offset discs to create both artwork and light. Crafted from aluminum with a softly diffused LED source, it delivers comfortable directional downlight ideal for accenting walls, consoles, and seating areas. Multiple finishes and color temperatures allow MODA to coordinate easily with hospitality, residential, and creative workspace interiors, adding a refined yet whimsical touch to any composition.

## SPECIFICATIONS
