## GENERAL INFORMATION

The ALUNA Cluster expands the elegance of the ALUNA collection into a refined linear composition. Featuring multiple illuminated glass spheres suspended from a minimalist horizontal structure, the design delivers balanced illumination while creating a clean architectural statement.

Available with frosted or clear glass diffusers, ALUNA Cluster provides soft, comfortable ambient lighting suitable for dining areas, conference tables, hospitality spaces, and residential interiors. The fixture combines timeless geometry with modern versatility, offering multiple finishes, glass options, and configurable layouts to suit a wide range of design applications.
