

## GENERAL INFORMATION

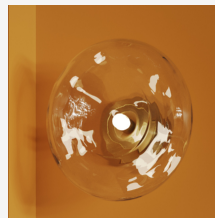

BRONE P is a decorative pendant that combines soft glass form with refined brass detailing, creating a warm and expressive lighting presence. The gently rounded silhouette diffuses light evenly, producing a comfortable 360° glow that enhances the atmosphere without harsh shadows. Designed for dining areas, lounges, and hospitality interiors, BRONE P brings a sense of softness and elegance to the space. Its translucent glass and metallic finishes interact with light to create subtle reflections and depth, making the fixture both a functional source of illumination and a visual focal point within the environment.
