

GENERAL INFORMATION

CALVORO CIRCLE is a decorative ring pendant defined by its intricate rhythm of metal and crystal elements, creating a dynamic interplay of light, shadow, and reflection. The layered composition forms a luminous halo, where each detail contributes to a rich and textured lighting experience. Designed for statement interiors, hospitality environments, and feature spaces, CALVORO CIRCLE delivers ambient illumination with a strong sculptural presence. Its refined brass structure combined with faceted crystal accents enhances brilliance while maintaining visual balance, allowing the fixture to function as both a light source and a central design element within the space.
