

GENERAL INFORMATION

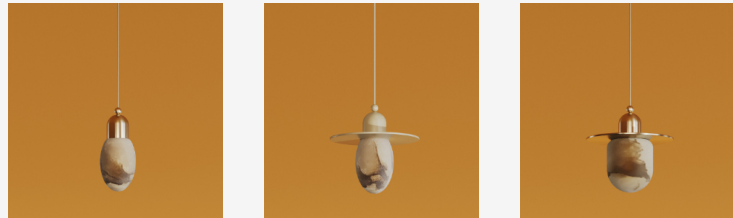

SUBWAY STONE ONE is a compact pendant defined by its refined material contrast and sculptural glass form. The textured glass body introduces depth and character, while the brass detailing adds a subtle architectural accent, creating a balanced and elegant composition. Designed to provide a combination of direct and softly diffused light, the fixture delivers a warm and intimate illumination ideal for dining areas, hospitality spaces, and clustered installations. SUBWAY STONE ONE functions both as a standalone piece and as part of a composition, offering versatility while maintaining a strong visual identity.
