

GENERAL INFORMATION

THORNE LASER W DUAL is an expressive outdoor wall luminaire that combines a cylindrical architectural form with a precision laser-cut upper section, creating a distinctive interplay of light, shadow, and texture. The solid aluminum body is enhanced by decorative perforations that add visual depth while maintaining a refined, contemporary character. Designed to provide both upward and downward illumination, THORNE LASER W DUAL delivers functional façade lighting alongside subtle decorative effects. Ideal for exterior walls, entrances, and hospitality settings, it offers a balanced blend of durability, visual comfort, and architectural detail.
