

GENERAL INFORMATION

RESORA is a sculptural acoustic pendant that combines soft ambient illumination with sound-absorbing performance. Its layered P.E.T. felt structure surrounds a central light source, creating a balanced 360° diffused glow while helping reduce ambient noise in open environments. Designed to enhance both comfort and aesthetics, RESORA adds a refined architectural presence to workplaces, hospitality settings, and residential interiors. Available in multiple sizes and acoustic finishes, the fixture offers flexibility while maintaining a clean, modern design.
