

GENERAL INFORMATION

MONADE G is a compact architectural garden luminaire distinguished by its sculptural form and integrated wood-effect detailing. The combination of clean geometric lines and natural-inspired finishes creates a refined outdoor presence while providing comfortable, glare-controlled illumination. Designed for pathways, gardens, courtyards, and landscape applications, MONADE G delivers efficient downward light distribution with a warm architectural character. Available in multiple heights and finishes, the fixture combines durable outdoor performance with a distinctive design that complements both contemporary and natural surroundings.
