

GENERAL INFORMATION

LINE W is a minimalist wall luminaire defined by its slender vertical profile and refined architectural character. The combination of brass, metal, and frosted acrylic creates a clean visual expression, while the indirect diffused illumination adds depth and warmth to surrounding surfaces. Designed for residential interiors, hospitality environments, corridors, and feature walls, LINE W delivers comfortable ambient lighting with a subtle decorative presence. Its elegant proportions, premium materials, and range of finish options allow the fixture to integrate seamlessly into both contemporary and timeless interior spaces.
